Important Information

1. Contact

Call: 01460 30660

This will be diverted through to the duty manager's mobile.

When leaving a message please give your lodge number, name and nature of your call.

The phone in reception can be used for emergency calls.

For non urgent questions please email: info@swandown.net

Address : Swandown, Cricket St Thomas, Chard, Somerset, TA20 4DQ

2. The Swandown Site

All the lodges are privately owned and approximately half are let out through Hoseasons. The remainder are used privately by the owners, please respect the lodges you are staying in and your neighbours.

There is a site plan in reception. There is a map of the Cricket St Thomas Estate walks and roads in your lodge and there are spare copies in reception. The site plan and map can also be found on our website – www.swandown.net

The two main issues that affect your neighbours are noise and unsightly items around the site. Occupants and visitors of Swandown enjoy the peace and beauty of the location. Please be mindful of noise, especially when using the hot tubs particularly in the evenings. Your deposit may be taken if you cause a disturbance.

3. Code: Entrance Gate

Entrance Gate Code : 1471

The electric gates restrict the traffic entering Swandown so we ask you not to give out the code. The gates will open automatically for traffic leaving Swandown. There is a 10mph speed limit on site. There is recorded CCTV to act as a deterrent to unauthorised traffic and for security in Reception.

If you have any grocery or other deliveries please meet them at the entrance gates, rather than revealing the code. This is to ensure continued security.

4. Checking Out

Check out time is no later than 9 am. It is important that the cleaners can access the Lodge at this time in order to prepare for the arrival of the next guests. Please leave the key in your lodge on the day of departure. If you are planning on leaving early, there is a letter box in Reception for you to post the key through.

Important Information

We have furnished and equipped the Lodges to a high standard. Please leave the house as you found it - clean, tidy and with all the bins and recycling bags emptied. Crockery, glasses and cooking utensils should be clean and if you have moved any items to another Lodge these must be returned before your departure. A charge will be made for the housekeeper's time for rectifying the above. We will not charge for minor mishaps however we would be grateful if you could notify us of any breakages.

In the past a number of items including bath robes and towels have gone missing and as a consequence we now take a deposit from all guests. Please ensure that no Lodge items are taken home with you e.g. torch, hairdryer or Leisure Club Card. We will make a charge for anything missing.

5. Bins and Recycling

The bins are situated next to the entrance gates, to the left of the linen store, around the back. We encourage recycling as much as possible but recyclables need to be separated.

In the kitchen there is a general waste bin, a brown food waste bin with compostable bag in and three coloured recycling bags for glass, paper and plastic. There are also separate bins in the recycling area for cans and cardboard. On departure please take all your rubbish and recycling to the bins.

6. Heating

The lodge is heated by underfloor heating upstairs. The temperature is set at 20°C. There are three room thermostats - in the hall, kitchen and sitting room. The heating will only come on if the room is not up to temperature - when the room is heating, a  symbol is displayed. To override the temperature setting press the + or - button, the  override symbol will appear and your selected temperature will stay on for the remainder of the day. It will then revert back to the automatic setting at about 10pm.

The bedroom radiators and towel rails downstairs are controlled by separate timers and will come on between 6am-10am and 6pm-10pm.

7. Hot Tub

Your hot tub is set at 38°C and the jets will come on at various times throughout the day to filter and heat the water. We are required to test the water and dose when necessary which we will do as discretely as possible.

There are three modes Standard (St), Economy (Ec) and Sleep (SL). The tub should be left on Standard mode and will display the current water temperature. Please be aware that a change in the mode can occur accidentally if the buttons are played with.

If the tub is on Economy or Sleep mode either Ec or SL will be displayed and the tub may not stay at the desired temperature. To change the mode press 'warm' and then 'lights' in quick succession.

To remove your cover ensure the black metal bar is resting on the lid and fold half of the lid over the bar, then pull the bar off the hot tub with the lid attached to an upright position.

Important Information

Please ensure that the lid is fastened down when not in use – the wind can blow covers off causing damage and prevent the hot tub from heating.

Please ensure that there are not too many people in at one time. When too much water is displaced the heating and pumps will cut out and not function.

Please familiarise yourself with the notice by the tub and the health and safety appendix.

8. Log burner and Logs

We provide a basket of logs, kindling, firelighters and matches as part of your welcome pack. The log burner should not be needed to warm the room as the underfloor heating will keep the Lodge at a comfortable temperature. **WARNING:** When in use the log burner is hot!

A local woodman delivers bags of logs, available in reception, where there is an honesty box for payment. It is important to burn dry logs - please do not pick up wet logs from the woods. Logs can also be bought at many local shops e.g. in Chard - Tesco Garage (open 24hrs), B&Q and Central Motors.

9. Internet

Your Lodge has Wi-Fi Internet access. Your password is down1234

10. Smart TV - Roku Stick

There is a Roku Stick plugged into the TV which enables access to a variety of Smart applications, such as BBC iplayer and subscription channels such as Netflix and Amazon Prime. There is a separate remote control to access this. If you login to one of the subscription channels, please ensure you remember to log out before you leave your lodge.

11. Children's bedding and equipment

If there is any chance that a child might wet the bed please use a waterproof mattress protector on the bed to avoid any damage to the mattress. You will find 2 single mattress protectors in the chest of drawers or wardrobe in the twin bedded room. Please ask if you require a king size waterproof mattress protector.

A high chair and stair gate can be found in the hall cupboard. If you require a cot please contact the Manager. (Charges may apply). If you need a fire guard for the log burner, please contact the Manager.

Lost children policy - please see appendix at the back of this information.

Important Information

12. Smoking

There is a strict **NO SMOKING** policy inside the Lodge. We have provided sand buckets outside each lodge, please use them and do not discard your cigarettes in the garden, thank you.

13. Dogs

Dogs must be kept on a lead at all times and are not allowed in the pool area or children's Adventure Trail. Please keep to the paths indicated on the map provided in the Lodge and pick up your dog mess on site and across the farm, to be put in the bin by the entrance gates or the bin on the path to the pub.

14. Emergencies

In the event of an emergency please dial 999 and contact the Manager on 01460 30660.

Please see the Health and Safety Information at the back of this folder for more details.

15. Cricket St. Thomas Estate Walks

There are a number of walks around the Estate. Please keep to the marked routes drawn on the map provided, close any gates you open and do not litter. Dogs must be kept on a lead at all times.

The map marks the various routes - the walks (marked red) are off road and require stout shoes or wellington boots. The walks on Estate roads (marked red and yellow) are relatively quiet. However Cricket St Thomas is a working Estate and from time to time there will be tractors and machinery moving about. There is also traffic from the Hotel that use these roads.

There is pushchair/wheelchair access over some cattlegrids by dropping down the ramp. Please lift it up immediately after use.

16. Adventure Trail and Windwhistle Inn

There is a path between Lodges 4 and 5 that leads to the Windwhistle Inn, Adventure Trail and Estate walks. This path runs through the woods parallel to the main road (A30) and is partially lit at night. Please take care when crossing the road to the Windwhistle Inn. Individuals are responsible for themselves and parents are responsible for their children while using the adventure trail.

17. Fishing

If you have brought your own fishing equipment, there is carp fishing at the Horsepark Pond. The pond is stocked for catch and release. No fish are to be taken and please release quickly and carefully.

Important Information

There are a number of other fishing venues locally - Highlands Dairy Lake, TA18 8QU. (2 miles) 01460 74180 and Chard Reservoir, TA20 1 (3 miles) 01460 63771.

18. Cricket St Thomas Golf Club

Cricket St Thomas Golf Club welcomes visiting golfers. To guarantee your place on the golf course you should book in advance. Call 01460 30231. Please contact the club for their dress code and rules.

19. Cricket St. Thomas Church

There are two services each week. On Sundays at 10 am. and on Thursdays at 11 am. All are welcome whatever your religion.

20. Instruction manuals

Instructions for all the electrical goods are in a folder in the in the drawer under the TV.

21. Lost Property

Please check all drawers, cupboards and wardrobes on departure. Any items unclaimed after one month will be disposed of. We can return items if the postage is paid in advance.

22. Honesty Shop

There is an honesty shop in reception for your convenience, with some essential items and nets of logs and kindling. Please leave money in the box on the wall.
